We DON'T Sell You Mis-Matched, Insufficient Components and Throw You to the Wolves.

We DO Provide You a COMPLETE PROFESSIONAL CAPABILITY.....For Example:

High Speed Lighting ALWAYS Included + All Components to Do the Job PROPERLY in Environment

One on One Instruction in General System Use On YOUR System Desktop Online is ALWAYS Included to Teach You:

How to Acquire High Speed Images

How to Create Kinematics or Motion Analyses

How to Extract Basic Data

One on One BASEBALL SPECIFIC Initial Tutoring On YOUR System Desktop Online with Coach Peavy or Our Pro Coaches is ALWAYS Included

To Begin to Learn to Interpret High Speed Videos and Understand and Utilize Data from a BASEBALL Viewpoint to Create ACTIONABLE INTELLIGENCE + Much More

### II. ALL Systems are COMPLETE Pro Level Baseball Assessment and Teaching Systems

ALL Systems-Regardless of Size or # of Cameras, Include the SAME Pro Level, Baseball Specific Motion Capture and Assessment Capabilities and Work to the SAME High Level to:

Acquire High Speed Images with Embedded Data from GAMES and Practice

Store and Organize Data by Player Date and Time with Unlimited Expansion Capabilities  
Access and Assess Data Now or in Future-Expand Storage-USB Drives or Built in Backup  
Drives or Optional Redundant Network Drives (Vary with Different System Configurations)  
Produce Motion Analyses with Kinetic Data from High Speed Video Now or In Future  
Break ANY Part of the Game Into Easily Understood and Manageable Time Slices  
Connect the Athlete to What He is ACCURATELY Doing to Accelerate Learning  
Create ACTIONABLE INTELLIGENCE or Clear Practice Steps and Plans Based On Empirical,  
Scientific Evidence Coaches and Athletes Can Understand  
Teach Athletes Locally or by Desktop Sharing Online on the Actual InnerVision System  
Communicate by Voice and Online with Built In Skype and Zoom Desktop Sharing Apps  
Upload/Download Athlete Training Files and Videos or Share Training Video and Information  
by USB 3.0 Thumb Drives (Cloud Storage Optionally Required for FTP Capability)

### III. We Teach YOU to Do the Work to YOUR Standards

Do NOT Entrust Your Data and Secrets to Outside Sources Who May Be Suspect in Quality or Security  
We Teach YOU How to Use Advanced Tools YOUR Way and to YOUR Standards, SECURELY

### IV. BENEFITS of InnerVision and Timeline Training Systems to Help Build a Better Business Model

Our Systems Do Not Cost-They PAY in Multiple and Invaluable Ways

Substantially Improve Income for Coaches and Academies and Value for Athletes When  
Incorporated Into a More Profitable and Effective PROGRAM Teaching Approach

Timeline Training Video Pitching in Second Half of 30 Teaching Hours per Week for  
52 Weeks Can Add Up To \$46,800 to \$54,600 or More Value Added \$ Per Coach/Yr  
(Based on \$30 to \$35 per Lesson Hour Value Added Sales per Week)

30 Minute Lessons = Insufficient for Better Athletes and Bad for  
Business-Not Enough Teaching Time or Quality Repetitions-With a  
Program Approach Coach Spends Effective 30 Minutes Teaching/30  
Minutes on Game Simulated Practice w/Student-Accelerate Learning  
Curve/Faster Results

Increased Customer Satisfaction = Customer Retention and More Referrals  
Increased Value for Athletes and Clients

InnerVision High Speed Video and Motion Analysis w/Kinetics in an Academy-Add to  
Hitting and Pitching Studios in a Program Approach for Serious Athletes Age 12 and  
Over-Add Up To \$36,400 to \$72,800+ Value Added Income Per Coach/Yr

(Based on 4 to 6 Basic High Speed Video + 1 to 2 Full Analyses + Kinetics per Week)

Magnify Coaches Effectiveness and Teaching Skills  
Connect Athlete to Skills Faster and More Effectively  
Accelerate Learning Curve  
Attract Higher Level Athletes

Raise Level of Visibility in Baseball Training Community

Increased Customer Satisfaction = Customer Retention and More Referrals  
Increased Value for Athletes and Clients

Peavy Baseball Can Be Contracted to Teach Coaches and Facilities a New Business  
Model to Monetize InnerVision High Speed Motion Analysis and Timeline Training  
Systems with a Program Teaching/Sales Approach That is More Effective for Coaches  
and a Better Value for Athletes-Resulting in Better Customer Retention and Referrals

Additional Benefits

Become Professional TEACHERS for Hitters Instead of Batting Practice Pitchers  
Fast Access to Complete Record of Athletes Progress-Provide a PRO Service  
Learn to More Accurately Evaluate and Coach Instead of Casually Observing Pitchers

Peavy Baseball Can Be Contracted to Provide Consultation and Advanced  
Training for Hitting and Pitching Coaches and Progressive Facilities

Magnify Coaches Teaching Capabilities and Accuracy-Continually Raise Coaching  
Levels and Effectiveness and Condense Teaching Time

Improve Performance While Learning to Recognize Injury Risk Potential Faster-  
Athletes Learn Visually But Go by Feel-Connecting Them to What They Are  
ACTUALLY Doing is a Tremendous Benefit to Training and a Boon to Coaches

Increase Hitting Performance Improvements Rate 10% to 50%

Increase Pitching Performance Faster PLUS Learn to Recognize and Reduce Injury Risks from Practice and GAMES (With Markerless Stadium Systems)  
 Increase Customer Retention and Referral Rates  
 Raise Visibility and Standing in the Baseball Training Community-Increase Referrals  
 Attract More Advanced, Serious Athletes for Academies, Programs and Teams  
 Promote More Effective Recruiting for Colleges, Universities and Teams at All Levels  
 Systems Can Be Matched with Other High Level Baseball Products and Services to Form a Custom Teaching System (Force Plates-Radars-More)

Peavy Baseball Can Be Contracted to Install Complete Program Teaching Systems for Quality Baseball Academies to Teach Uniformly, Utilize Systems and Facilities More Efficiently, Maximize Profits
